Lyrics: A Bear Climbed over the mountain

A bear climbed over the mountain
A bear climbed over the mountain
A bear climbed over the mountain
and what do you think he saw?

He saw another mountain
He saw another mountain
He saw another mountain
and what do you think he did?

He climbed another mountain
He climbed another mountain
He climbed another mountain
and what do you think he saw?

He saw another mountain
He saw another mountain
He saw another mountain
and what do you think he did?
